

### **Esteemed members!**

I am fortunate enough to be a part of dynamic Ghaziabad Obstetrical and Gynecological Society as President. We were able to weave a magical year consisting of various Academic & Socio-cultural events focused on women's health throughout the year, with tireless efforts of Team Magical queens & whole hearted support of our dear members.

I can't forget the day when they announced Ghaziabad Obstetrical and Gynecological Society for **\*WOW bhramkumari we for Stree Award\*** in **AICOG Lucknow 2020**. Its time to say goodbye. I had a wonderful time with all of you. Best wishes to Team GOGS 20-21
