- 3) A poster competition was held- sending 4 entries.
- 4) A CME was conducted on the benefits of breastfeeding.
- 5) Breastfeeding awareness camps were held at various centres by our members .
- 6) Our President Dr Shalini Agrawal, recorded a message emphasizing the importance of breastfeeding , to be put up by THE INDIAN EXPRESS, for public awareness.

मां के दूध पर शिशु का अधिकार
शिशु का मां से बढ़ता प्यार
नैसर्गिक यह गर्भ निरोधक
बच्चा रहता पूर्ण स्वस्थ मां रहती कैंसर से
मुक्त

Dr Kiran Garg

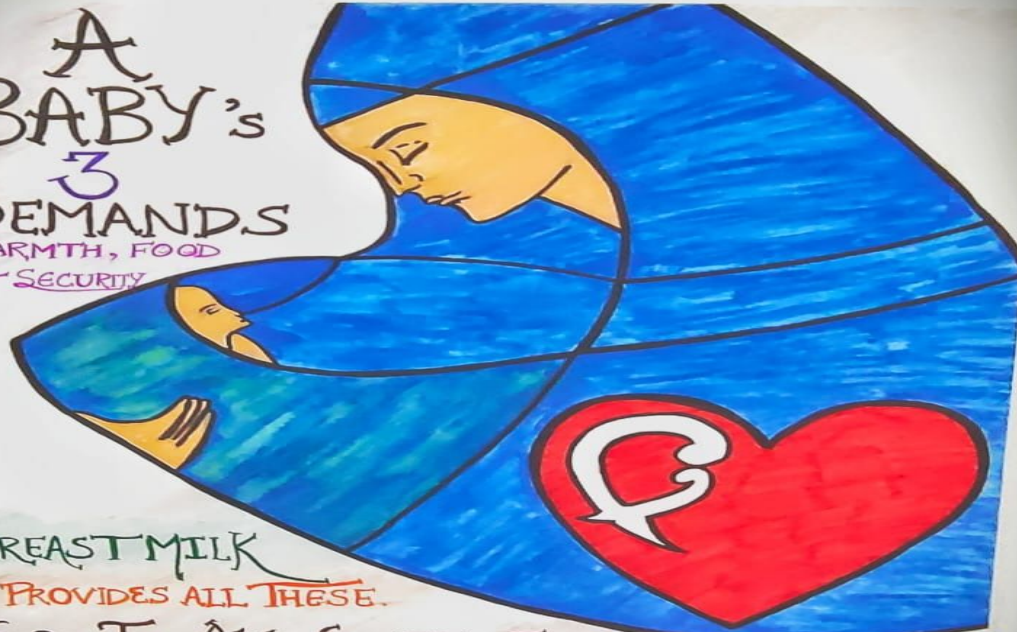

स्तनपान है महा वरदान ,
शिशु को देता जीवन दान ,
रोग निरोधक शक्ति बढ़ाता,
शिशु हमेशा ऊर्जा पाता

Dr Anjana Sabharwal

माँ का दूध बड़ा अनमोल
नहीं चुकाना पड़ता मोल!
दूध यही है उपयोगी,
बच्चा-मां रहे निरोगी!

Awareness drive about breastfeeding was conducted at multiple centres spanning throughout the city. Both antenatal and postpartum patients were educated about advantages of breastfeeding both to the mother & baby. Obstetricians & paediatricians of Ghaziabad city participated with full zeal to sensitize the patients about benefits of lactation. Following is the list of centres where the drive was successfully conducted

A total of 19 centres participated in the lactation drive where 150 patients were imparted knowledge about tremendous benefits of lactation. A nukkad natak was conducted at Rama Medical college. Patients made it a successful event by actively participating and clearing their queries about breastfeeding.
