★ we
start with
stars in
our eyes

The image features the phrase "we start with stars in our eyes" written in a vibrant blue, cursive script. The text is arranged in four lines. The word "we" is on the first line, "start with" on the second, "stars in" on the third, and "our eyes" on the fourth. The text is embellished with several gold stars of varying sizes and small gold dots scattered around the letters. A faint, semi-transparent watermark "aimee-draws" is visible across the middle of the text.
